An Update About Past Due Accounts

If your account has a past due balance, please submit payment as soon as possible to keep your account in good standing!

Beginning September 1st, a \$10 monthly late fee will be applied to any past due balance. You can conveniently make a payment online at gsgasinc.com. If you have any questions about your account or would like to make a payment by phone, please call us at 478-452-3625. We appreciate your business and look forward to serving you.

Update your contact info with us so you can receive timely updates and important account information via text.

Automatic Payment Processing Now Available

Want to ensure your payments are always made on time? Enroll in automatic payments! Automatic payments provide a convenient, hassle-free way to keep your account current. Simply keep a credit or debit card on file with our office, and your balance will be automatically charged when due. Best of all, G&S Gas Service does not charge any additional fee for payments made by credit or debit card. Contact our office today at 478-452-3625 for details or assistance setting up automatic payments.

Whole Home Generator Solutions – Peace of Mind, All The Time

Prepare for every possibility with a Generac backup generator

A backup home generator kicks on within seconds of determining power loss – automatically – and runs for as long as necessary until power returns. It runs on natural gas or propane, and sits outside just like a central air conditioning unit.

As a certified Generac dealer, our team will handle all aspects of installation and service – including running gas lines and making all connections, so your home generator runs properly and is ready to protect your home 24/7!
